## BRONZE PORTER COUNTY GELOSOSOMO'S PIZZERIA NEIGHBORS' CHOICE PIZZA

in 1969. In 1987, Tom realized their was a vast market for his pizza in Northwest Indiana and opened the first Gelsosomo's in Portage in 1987. During that same year Gelsosomo's Pizza took to the road. The first heated and refrigerated truck was used to deliver hot and cold orders. The success of this one truck led to an expansion to the six trucks that are used today.

With the loyalty of his many customers, and his reputation for making consistently good pizzas, Tom opened two more Pizzerias, one in Chesterton and one in Valporaiso.

Tom says, "We are successful today because of the loyalty,

commitment and referrals of our repeat customers."

Business is so good for Gelsosomo's, that Tom has decided to open the Gelsosomo's name and pizza recipes to franchise opportunities for a few select individuals. For franchise information call 219/942-0826.

Gelsosomo's has won a number of awards including Best Tasting Pizza in Porter County and Best Tasting Pizza in Northwest Indiana.

Gelsosomo's is an ardent supporter of community events and activities, including youth sports and organizations sponsorships and fund-raising for

local charities and organizations.
