

# Fundraising PROGRAM

## **WHO ARE WE?**

Gelsosomo's Pizzeria has been serving Northwest Indiana since 1979 with first class Italian pizza, pasta, and sandwiches. Today, five locations service the region in the cities of Portage, Chesterton, Valparaiso, Michigan City, and St. Joseph Michigan.

Gelsosomo's Pizzeria has received numerous awards such as the Post-Tribune Neighbor's Choice Award. In 1999 we were also awarded four out of four stars by the Post-Tribune's "Dining Out" food critics.

## **WHAT IS THE FUNDRAISING PROGRAM?**

The Gelsosomo's Pizzeria Fundraising Program is an excellent vehicle for non-profit organizations or 501c corporations who wish to raise money for various expenses.

It's simple. It's fun. And the pizzas taste great! People like the convenience of having a couple of 6" Gelsosomo's pizzas in their freezer. They're a great snack, or can even be a great dinner for all members of the family. They're also good for parties, everyone can have their own pizza instead of dividing a bigger pizza into smaller parts.

Organizations that have used our fundraising program from our Portage restaurant have successfully raised funds in recent years. The program is very simple.

## **WHAT ARE THE ADVANTAGES?**

The major advantages of the program are:

- It's fast. Our program is flexible. The turnaround time can be as fast as 21-30 days!
- The program is a great supplement to additional fundraisers that your organization may have already been involved in but didn't quite raise enough money.

## **HOW DOES IT WORK?**

1. Download the pizza order forms from our website and give them to your organization members.
1. Members of your organization sell 6" extra small sausage, pepperoni, and cheese pizzas to family, friends, neighbors, etc. Be sure your sales force collects the proceeds as they sell.
2. The price is generally \$5.00 per pizza. Your organization receives \$2.50 and Gelsosomo's Pizzeria receives \$2.50 per pizza.
3. You accumulate the total sausage, pepperoni, and cheese orders.
4. You contact us with the amounts to place the order.
5. We prepare the 6" pizzas uncooked and complete the order 10-14 days from the date of your order.
7. We coordinate a pick-up date and time at our Portage location – payment is due at pickup.

## **HOW DO I SCHEDULE MY ORGANIZATION FOR THE PROGRAM?**

Gelsosomo's Pizzeria is committed to helping you reach your fundraising goal! Please contact a participating Gelsosomo's Pizzeria to schedule your fundraiser.
