Thank you for choosing Gelsosomo's Pizzeria!!

Although Gelsosomo's Pizzeria is a new name (**Gel-sa-so-mos**) to the pizza market, the Gelsosomo family is not. Originally from Chicagoland, Tom Gelsosomo's experiences in the restaurant industry date back to 1969. With his combined knowledge and expertise of this ever exploding market, he continues to carry on the tradition of the Gelsosomo's Pizzeria legacy.

Tom decided to open his restaurant in Portage, Indiana in 1979, where he felt there was a vast market for his pizza. Through the loyalty of his many customers, Gelsosomo's has become an icon in Northwest Indiana.
